WITH YOUR FIRST ORDER
 YOU GET THESE FREE:

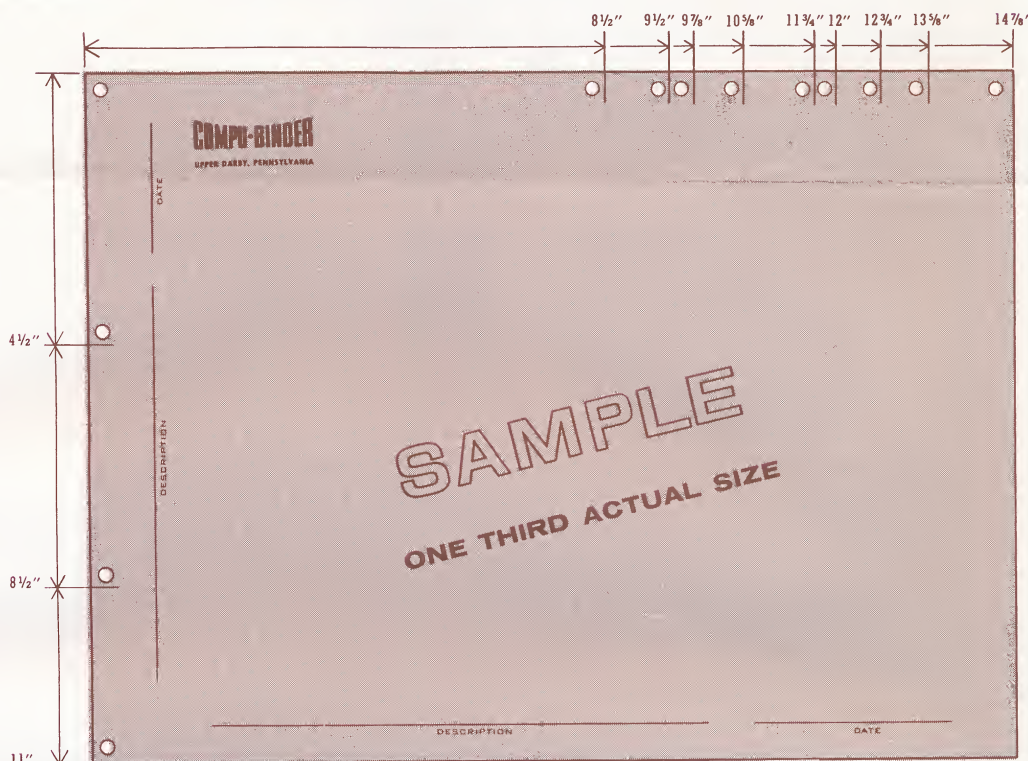

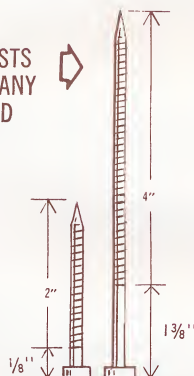

POST CUTTER &
 HOLLOW SHANK WRENCH

This drawing (1/3 size) of a Compu-Binder cover shows the many different shapes and sizes that can be made from one standard size.

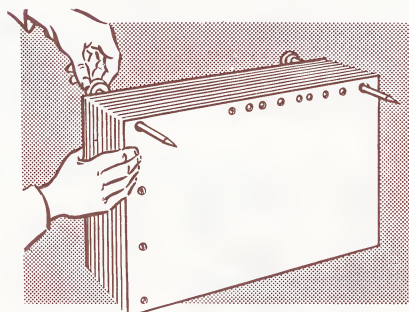

THREADED
 POLYETHYLENE POSTS
 2 SIZES—TRIM TO ANY
 LENGTH REQUIRED

2-THREADED
 METAL 6-32
 HEX. FASTENERS

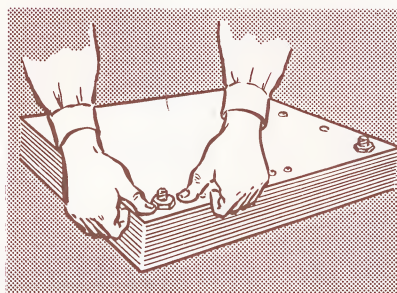

1. Low cost saves you money — only pennies per set.
2. Quickly bound — takes less than 30 seconds.
3. Reduced binder inventory — one 11" x 14 7/8" Compu-Binder is the equivalent of 36 different size binders.
4. Bound sheets are placed in your inactive storage with covers intact. No lost time in transfer.
5. Dead records destroyed with inexpensive Compu-Binders intact.
6. Unburst reports to various departments or field offices may be bound for pennies thereby increasing efficiency and reference speed during life of the report.
7. ELIMINATES binding emergencies because Compu-Binder covers all standard sizes.
8. Flexible polyethylene posts and positive locking clips assure close to margin visibility.
9. Ideal for inactive storage — allows hard back binders to be available for active records.

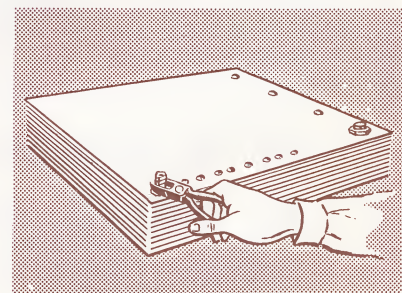

INSTRUCTIONS:

1. Place covers on front and back of forms and run plastic posts through holes.

2. Place hex nut fastener on post and screw down, thumb tight.

3. Cut excess post off flush with top of nut fastener.

MANILA TAG COMPU-BINDER* PRICE LIST

Memo from

L. W. PIERCE CO., INC.

250 WEST CHESTER PIKE

HAVERTOWN, PA. 19083

Jackson 8-5795

Hilltop 9-8444

Good morning!

We would like to present COMPU-BINDER to you for your appraisal.

COMPU-BINDER is an all purpose, low cost method of binding any size marginally punched computer print out sheets. It is usable on either burst or unburst sheets, and the unique threaded post and nut enables anyone to bind up to 4" sheets in less than 60 seconds.

There are no special skills required. For reports going to various departments it is logical to supply COMPU-BINDERS to the end user, send the reports out unburst and let the user bind their own reports.

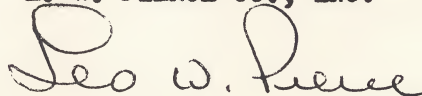

If you must do binding then you can work quickly and put as many people on the job as you wish. There are no bottlenecks. Some companies use only the posts and nuts for short term reports. Over 1,000 major computer users throughout the world use COMPU-BINDERS.

A postpaid order or sample request card is enclosed. Why not place an introductory order (50 binders, 11" x 14-7/8" for only \$14.75) or, if you wish, ask us to send free samples for your inspection.

We know you will be interested in the cost savings, the convenience and the versatility of COMPU-BINDER. We look forward to hearing from you.

Cordially yours,

L. W. PIERCE CO., INC.

Leo W. Pierce
President

LWP/mrt
Encl.

P.S. A free hollow shank wrench for ease in attaching nut, and a post cutter, are supplied with your initial order.
